Tuesday 9:30am-6:00pm
Wednesday 10:00am-6:00pm
Thursday 10:00am-6:00pm
Friday 10:00am-5:00pm
Saturday 9:00am-4:00pm

Library News

April was a busy month at the library! From a super successful Solar Eclipse Watch Party on the 8th, to all the community outreach events we attended. We saw some of you at Sen. Comitta's Community Baby Shower on the 12th, and others at the YMCA Healthy Kids Day on the 20th. We were able to give away lots of free books, as well as information about our programs.

We've been meeting a lot of new families each week for our storytimes, so many that on Fridays we've added a third age group: Babies! We love seeing all the new families joining us in the library.

In May we will be gearing up for our Spring Book Sale, as well as getting plans solidified for Summer Reading starting in June.

What's Happening in May?

FREE COMIC BOOK DAY

May the 4th Be With You!

This year we will be celebrating Free Comic Book Day on Saturday May 4th, colloquially known as "Star Wars Day". We will be celebrating these two awesome events in one day by unleashing the geek in all of us. We will have comic book crafts with Bridge Town Arts Club, a table from our local book seller, **Looker Books**, activities, our Kid's Zone will be open, and of course **FREE COMIC BOOKS!!**

This All Ages event will run all day in the library and free comics will be given out until we run out! So dress in your best super hero or Jedi costume, and drop by the library for some fun.
